noahweber47@hotmail.com

I bridge the gap between creativity and capability.
Building platforms users want, with the functionality they need.

EXPERIENCE

Ossia Performance, Northern Kentucky — *Co-Founder, CTO*

February 2024 - Present

Co-founded and developed a music technology startup using SvelteKit, Node.js, PocketBase, and Stripe on AWS cloud infrastructure.

Cambrio, Cincinnati, Ohio — *Post Developer*

April 2023 - PRESENT

Leveraged expertise in Object Pascal and a custom PST language to develop "Post Translation Programs" for SigmaNEST. These programs automate NC code conversion, improving machine compatibility and streamlining the manufacturing process.

Cambrio, Cincinnati, Ohio — *Applications Engineer*

September 2022 - April 2023

Provided technical assistance to customers utilizing the SigmaNEST suite of software tools, and developed internal tools that refined team workflows and increased team efficiency and collaboration.

EDUCATION

University Of Kentucky, Lexington, KY— *Digital Media and Design*

August 2018 - May 2022

Bachelor of Science in Digital Media and Design with a focus on Interactive Development (Web, Desktop, VR/Game Development)

PROJECTS

Post Tools — *Custom Cambrio Post Tooling*

Developed custom tooling that streamlines Post analysis and automates problem identification, resulting in reduced turnaround time and increased accuracy and efficiency.

SKILLS

Cross-Browser Compatible, Responsive, and ARIA Compliant Design

Database Administration

Azure DevOps & Git VCS

API Design & Integration

Scalable full-stack infrastructure and Containerization

LANGUAGES

SvelteKit, TypeScript, HTML/CSS, Python, Go, SQL, C#, Object Pascal

ACHIEVEMENTS

Fast-tracked to Post Developer in 6 months by exceeding expectations. Developed internal tools that improved efficiency and earned a promotion to Applications Engineer.

Collaboratively contributed the second-highest number of posts (27 out of 121 YTD), driving a record number of deliveries in Q1 2024.
